

Houston Tidelanders

The Houston Tidelanders chorus is an all volunteer male a cappella chorus known for performing close harmony music. Repertoire includes music from pop tunes, Broadway show music, religious to patriot, and even a little 60's doo-wop. All members of the Houston Tidelanders are non-paid volunteers. A 501 (C) (3) organization, the chorus is self-sustaining through gifts, performance fees, admissions to shows, and sales of recordings and merchandise. The Tidelanders are funded in part by grants from the city of Houston through the Houston Arts Alliance.

The Houston Tidelanders chorus was founded in 1946 and is affiliated with the Barbershop Harmony Society and the Southwestern District (5-state area). We are comprised of quartets and our large performing chorus. We are constantly ranked among the Top 20 performing choruses at the Society's International Chorus Competition, having medalled at the International contest 8 times since 1969. The chorus has also won the Southwestern District Championship 17 times.

Our membership is broad based, ranging in age from 20 to 80, representing the ethnic and cultural diversity of the greater Houston community, and including every occupation imaginable. The Tidelanders chorus presents annual shows, as well as suburban cabaret style "Good Time" shows around the city each year. In addition to our various revenue generating performances, we also present benefit appearances at area churches, schools and hospitals.

The chorus' musical director is Greg Caetano. He holds a lifetime membership in the Barbershop Harmony Society (BHS) and has been involved as a member in Barbershop choruses since 1986. A second generation barbershopper of a Sweet Adeline, Greg is currently certified as a Presentation Judge in the BHS Contest and Judging community, and was previously certified as an Interpretation Judge.

Greg has previously served as a Director in two BHS choruses (Concord MA and Northbrook IL) and a women's chorus (Hudson MA) in Harmony Incorporated. As an assistant director and presentation coach, Greg has won three International Medals with the Northbrook IL New Tradition Chorus.

The Houston Tidelanders' discography includes recordings of over 80 songs. Recordings include: *On Our Way, Celebrate!, Steppin' Out, It's the Most Wonderful Time of the Year, and On With the Show.*
